

NORTHBROOK GIRLS SOFTBALL ASSOCIATION

Dear Sir or Madam:

We are asking for your support in helping Northbrook Girls Softball Association (NGSA) maintain its level of excellence by becoming a sponsor to the organization. **For as little as \$250, you can help make a difference in a young girl's life.**

I am a Northbrook resident with my eldest daughter participating in the program. As such, I know firsthand how the generous contributions of our community members drive this wonderful program. NGSA provides a safe environment for girls in the community, regardless of age or skill level, to play softball while learning valuable life skills such as commitment, teamwork and communication.

Your contribution to our community means so much to the 200 families in the program and the countless other families and players that see your support on signage and at tournaments throughout the Chicagoland area. There are several levels of sponsorship that are listed on the back of this letter and, depending on the amount of your gift, you will receive the following benefits:

- Your business will be promoted on team jerseys (based on sponsorship level), at our tournaments via signage, and in addition your logo on our website.
- Direct marketing of your company/business/brand to the 200 participating community families (and Spartan Classic sponsorship includes promotion to ~50 teams across the State)
- All contributions are tax deductible.

A donation form has been included in this letter. Simply complete it and mail to the PO Box or email.

NGSA was created in 1998 by a group of parents that saw a need in the Northbrook community to give girls ages 7-14 the opportunity to play fast-pitch softball at a variety of levels. NGSA is a 501(c)(3) non-profit organization. All funds received by the NGSA go to support our girls softball programs. Our Board of Directors are all unpaid, volunteer members. Sponsor support and donations, as well as the player fees, support NGSA operations for the House and Travel programs including training/coaching, field use and grooming, umpires, uniforms, safety equipment, team gear, and more.

Spartan Classic is a tournament that NGSA runs each summer. This is a four-day softball tournament that guarantees four games of play around the Northbrook area. Each year NGSA has ~50 teams from across the Chicagoland area participate in the Spartan Classic with over 1500 people playing and/or watching this tournament.

Thank you for your thoughtful consideration. We are grateful for your support!

Sincerely,

Osman Ahmed
